

Office Space

For discriminating businesses that demand the best.

At Loggerhead Plaza, the local property owners are on-site and will ensure that your needs are met. Situated on the 2nd and 3rd floor of our beautiful glass building, our office space floor plate is just over 6,000 square feet with office space as small as 1,000 sf. Several of the offices offer views of the ocean, beach dunes and the Loggerhead Marine Life Center.
